

Shoulder and Elbow Update 2016

You are cordially invited to join the Philadelphia Orthopaedic and Sports Rehab Foundation at Shoulder and Elbow Update 2016.

The meeting will be held November 18-19, 2016 at the Hilton Philadelphia, Penn's Landing in Philadelphia, PA. The meeting will be attended by 200 to 400 physical therapists, occupational therapists, athletic trainers, nurses, and physicians.

Shoulder and Elbow Update has been held every other year since 1988. In addition to the renowned surgeon, therapist, and athletic trainer faculty, this course typically attracts several hundred physical therapists, occupational therapists, and athletic trainers from around the United States.

This conference offers a great opportunity for you to market your products and services. There are several avenues for you to advertise to this captive audience.

We hope to see you at this terrific conference.

Thank you!
